## HEY NEIGHBOR!

It's a strange time of quarantines, health concerns, and unmet needs all around us. During this time it is very important to be neighborly, **I'd love to help:**

- Grocery shopping
- Yard work
- Take trash to your curb
- Bring a meal
- Help setting up the online service for church
- Other ideas!?

## LET ME KNOW!

If any of these would be helpful or if you have other needs, please call, text or email! Grateful for you and hopeful to get some time together soon!

## STAY HEALTHY!

## SINCERELY,
